

Green Resources

There are many resources available to help us all on our sustainable journey.

[Go Green Travel](#) - Your source for eco-conscious travel tips, reviews and news.

[National Geographic Green Guide for Everyday Living](#) - Shows people how to make small changes that add up to big benefits for their wallets, their own health, and the health of the planet.

[Guide to Going Green at School](#) - A guide to help students and teachers go green at school.

[EPA Personal Emissions Calculator](#) - Provides an estimate of household greenhouse gas emissions resulting from household energy use and waste disposal. Information you can use to identify ways to reduce your personal greenhouse gases.

[SafeClimate Carbon Footprint Calculator](#) - Allows you to determine carbon dioxide emissions from major sources, including home energy consumption and transportation by car and airplane.

[Hilton Hotels Corporation Sustainability](#) - Hilton shares its sustainability practices.

[Marriott International Sustainability](#) - Learn about Marriott's Spirit to Preserve, its green partners, and additional resources.

[Energy Star](#) - Ideas for the home and business to help save money and protect the environment through energy-efficient products and practices.

[Urban Land Institute](#) - Read the latest research and publications from the Urban Land Institute (ULI) regarding Sustainable Development. ULI is a non-profit research and education organization whose mission is to provide leadership in the responsible use of land and in creating and sustaining thriving communities worldwide.

[American Hotel & Lodging Association Green Resource Center](#) - Everything you need to know to green your property - from eco-friendly vendors to best practices and actionable strategies that are better for the environment and your bottom line.

[EcoGreen Hotel](#) - A marketplace for green hotel products and services, and one-stop venue for green hospitality news, basic environmental overviews and other tools. Find green hotel checklists, project ideas, book lists, and valuable links designed to promote a more sustainable hospitality industry.

[U.S. Green Building Council](#) - Tap into the many resources, programs and strategies offered by the USGBC, whose mission is to transform the marketplace through its LEED building certification program, robust educational offerings and more.
